On behalf of Verkhovna Rada of Ukraine please allow me to express assurances in my highest respect and address you with regards to the following.

On the 4th – 5th of April the Belgian Federal Parliament will convene a Conference of the heads of the parliaments of the EU member states in order to discuss the institutional continuity of the interparliamentary control over the EU Common Foreign and Security Policy and Common Security and Defence Policy due to the termination of the Assembly of the Western European Union.

The Ukrainian party has expressed its interest in the Conference, as stated in the letter from Head of Verkhovna Rada of Ukraine Mr. Volodymyr Lytvyn earlier this month. Therefore, I would kindly ask Your Excellency to consider my participation in the abovementioned Conference in order to present the Ukrainian position.

I avail myself of this opportunity to renew to you the assurances of my highest consideration.

Borys TARASYUK,
Chairman
Committee for European
Integration
Verkhovna Rada of Ukraine

His Excellency
Mr. Danny PEITERS,
President of the Senate
Belgium Federal Parliament
Brussels, the Kingdom of Belgium
