Dear Fellow Speakers,

I have received your letter of 29 November 2011 kindly informing me that the European Parliament would be willing to accept the proposal put forward by the Polish Parliament concerning the composition of an Inter-Parliamentary Conference on the Common Foreign and Security Policy, including the common security and defence policy.

Let me express my sincere appreciation for the efforts undertaken by the Polish Presidency in order to reach a compromise solution with respect to a topic which we could address during the forthcoming Conference in Warsaw.

I am convinced that at the Conference your proposals will prove very valuable in reaching an overall agreement on the establishment of an Inter-Parliamentary Conference, in line with the principles agreed upon at the Brussels Conference in April 2011.

Looking forward to meeting you in Warsaw, please accept, Dear Colleagues, the expression of my highest esteem and consideration

Yours Very Truly

President of the Sejm

Rt. Hon. Bogdan BORUSEWICZ
